

# MINIATURE BOOK SOCIETY NEWSLETTER INDEX

## 1983 - 2013

This is an index to 110 issues of the Miniature Book Society Newsletter issued by the Society from the years 1983 to 2013. Book titles are in *italics*. Month and year of publication is followed by the page number(s) in parentheses. The abbreviation "ifc" means inside front cover.

This index does not include changeabouts, president's message, editor's message, listings of new books, minutes of general meetings, listings of officers, or catalogs issued. Illustrations and advertisements were not indexed. Also, *Miniature Book News(MBN)* is not included in this index. Julian Edison prepared an index for MBN in 2012 for issues numbered 1-148, available on the MBS website or if you contact Karen Nyman.
